LinkedGov's question site

4.0.1 Question site concept 1 – with answer

The screenshot shows the LinkedGov website in an Internet Explorer browser window. The address bar shows <http://www.linkedgov.co.uk>. The page features a logo placeholder, a proposition section, a question input form, and an answer table.

Logo Placeholder: A box labeled "LOGO".

Proposition: "The Question site proposition goes here" with a "Learn more" link.

Question Form: "What is your question?"

- Step 1: "Select your question type" with a dropdown menu showing "How many" (E.g. 'How many').
- Step 2: "Enter the remainder of your question below" with a text input field containing "People reside in London?" (E.g. People reside in London?) and an "ASK" button.

Answer Section: "Displaying 1 answer for 'How many people reside in London?'"
